### Vendor Based Inventory

At Xceed Oilfield Supply Ltd., we not only carry an inventory catered to our dedicated and valued clients' needs but we also proud representatives of a very broad vendor/distribution network of quality pipe, valves, fittings and MRO related products. We represent our customer requirements based on their needs. Our goal is to supply what they need to get the job done at the best possible overall value taking full advantage of the myriad of quality products and price points in today's open markets.

### Safety/Quality Control

- Complyworks
- Partnered with AASP (Alberta Association for Safety Partnerships)
- Letter of Intent – Certificate of Recognition (SECOR)
- We take great pride in providing MTR's on time and up front. Larger jobs include an itemized binder for smoother more efficient quality control

### We Appreciate Your Business

At Xceed Oilfield Supply Ltd, we are not a big box store. We care, we listen and we always strive to improve. Honesty and integrity are paramount to how we conduct our business. The customer pays our wage.

### Value Added Service– Turnarounds

At Xceed Oilfield Supply Ltd, our experience in scheduled plant turnarounds has offered smooth, seamlessly managed materials control and procurement. This starts through open communication from the pre-planning stages through to billing to the customer's needs, the right product and traceability of that product. This includes dedicated personnel, hands on approach with a point of sale system. We work with our customer throughout the turnaround process including the post wrap up. WE become an extension of our client's business. Their success is our success.

- Onsite manned mobile supply store, fully stocked to meet each jobs specific needs
- In house dedicated resource for procurement, management, logistics
- Emergency 24/7 on call
